A Moment to Remember

Forward

During the seventeenth century it was written by John Donne during the seventeenth century, "All mankind is of one author, and is one volume; when one man dies, one chapter is not torn out of the book, but is translated into a better language; ... God employs several translators; but God's hand is in every translation, and his hand shall bind up all our scattered leaves for that library where every book shall lie open to one another." And so it is. During our lives we write many episodes for that chapter of the Book of which Donne wrote. Perhaps most significant are those parts of the chapter which we write during our youth. This is truly the chapter of that book which is a moment to remember for all.

Karen,
You're a great kid
and I like you a lot
so - good luck and have
fun this summer -
love Chuck

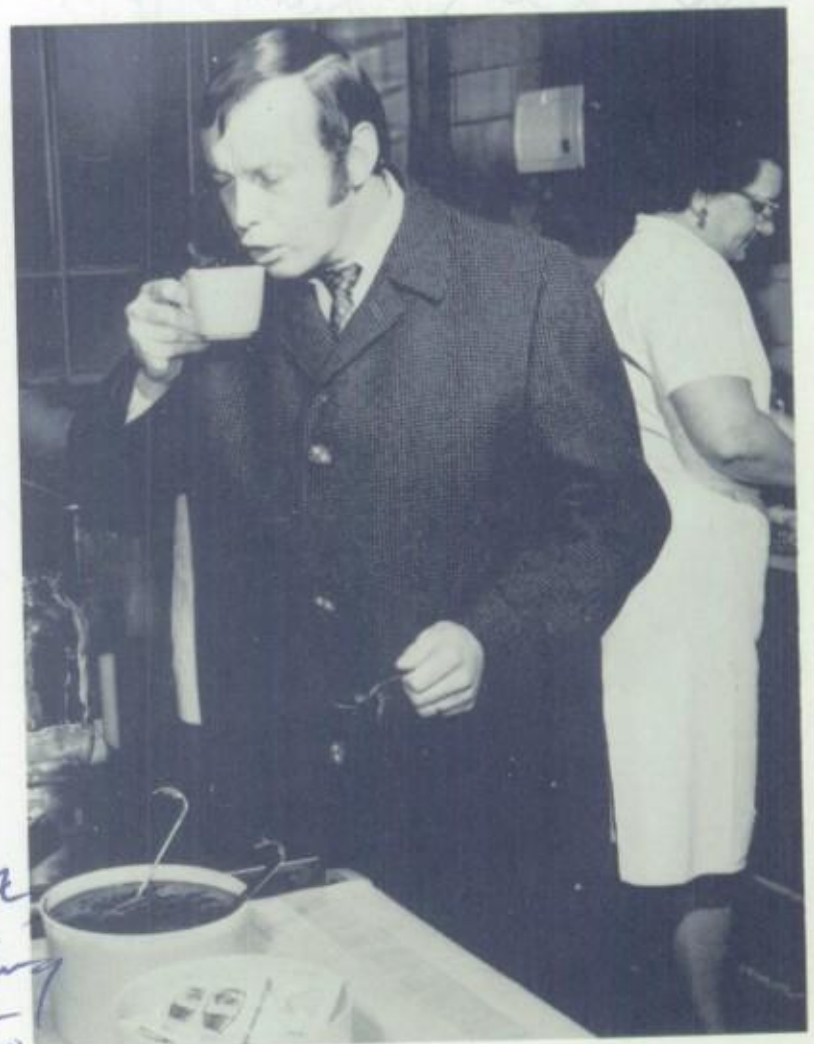
Dedication

Robert J. Verburg

Often times a man's worth is measured in terms of the dollars and cents he contributes to society, other times by some famous act that he performs. However, often those who make the greatest contribution, that of oneself, go unsung. This year we, the members of The Class of 1970, are proud to present the dedication of this edition of the Centralite to a man whom we feel has contributed much to make ours a better and safer world in which to live. Through his continuing efforts many students leave R.C.C.S. each year with a better knowledge of the roads on which we travel daily.

In sincere appreciation of the efforts that you have expended we, The Class of 1970, wish to dedicate this Centralite to you, Mr. Robert J. Verburg.



Karen, Good Luck with your VW's and everything you choose to do always
R.J. Verburg

HIGH SCHOOL

RALPH D. DeMAS

RICHARD F. WITTER

NORA S. DeMAS

LOUIS R. RODER

Our Supervising Principal at R.C.C.S. is Mr. Ralph DeMas. Besides his numerous and varying duties as Principal, Mr. DeMas takes an active interest in the Outing Club at R.C.C.S. His hobbies include camping, and running his snowmobile. No matter how busy he is, Mr. DeMas' door is always open to listen to anyone with a problem.

As Director of Guidance, Mrs. Nora S. DeMas is constantly at work. However, no matter what she is doing Mrs. DeMas is always ready to help a student with a problem. In addition to helping students choose courses for the coming year she aids members of the Senior Class in selection of colleges and selection of jobs. She also serves in the preparation of the school schedule and other numerous duties. One of her chief hobbies is camping.

Mr. Richard Witter, High School Principal, joined the staff in February 1969. He has the task of running a sometimes delicate operation. He performs his task admirably - working with both faculty members and students. While maintaining discipline in the High School, Mr. Witter also is shown respect - an essential element for the success of any business organization.

Mr. Louis Roder, District Business Manager, also joined the staff in February 1969. Since that time he has filled this position very capably. He is in charge of transportation, cafeteria services at all schools, and ordering and purchasing of supplies. If a student gets stranded at school due to practice for an upcoming event the Business Office and transportation staff see that he gets home safely.

Our Board of Education, headed by President Bernard Craine, is a body of seven members, elected by the voters, whose job it is to run the school district in all phases. This includes determination of policy, the economic and room squeeze that we are now in and trying to provide the best program available to students at R.C.C.S.

L. to R.: Mrs. Grace Frost, Clerk; Bernard Craine, President; Robert Brundidge; Leon Fitch; Clarence Cooper; Melville Warford; Robert Burghdorf; Delores VanWie.

This year Wayne County schools saw a new face. Taking the place of Mr. Morris Livingston, who retired after many years of service to the county schools, is Mr. John Loveless. He is filling this position until a decision is made by the State Education Department to keep Wayne County as a separate unit or merge it with neighboring districts in other counties. Mr. Loveless is the District Superintendent of the Ontario-Seneca-Yates District and he is in charge of the B.O.C.E.S. for those counties in addition to maintaining the Wayne program. He has served as a teacher, guidance counselor and high school principal. He attended Colgate University and received his Master's Degree from Albany State.

Mr. Loveless and his family reside in Clifton Springs where he is active in church work, Rotary and Masons. His chief hobby is gardening.

Seventh Grade

The Seventh Graders find things new and different when they first make the change from elementary to Junior High School, but they adjust quickly. They study, along with their regular subjects, manners and social grooming. The Seventh Grade Advisor, Mr. Keith Krause, helps them plan a party in the Spring.

Diane M. Durell

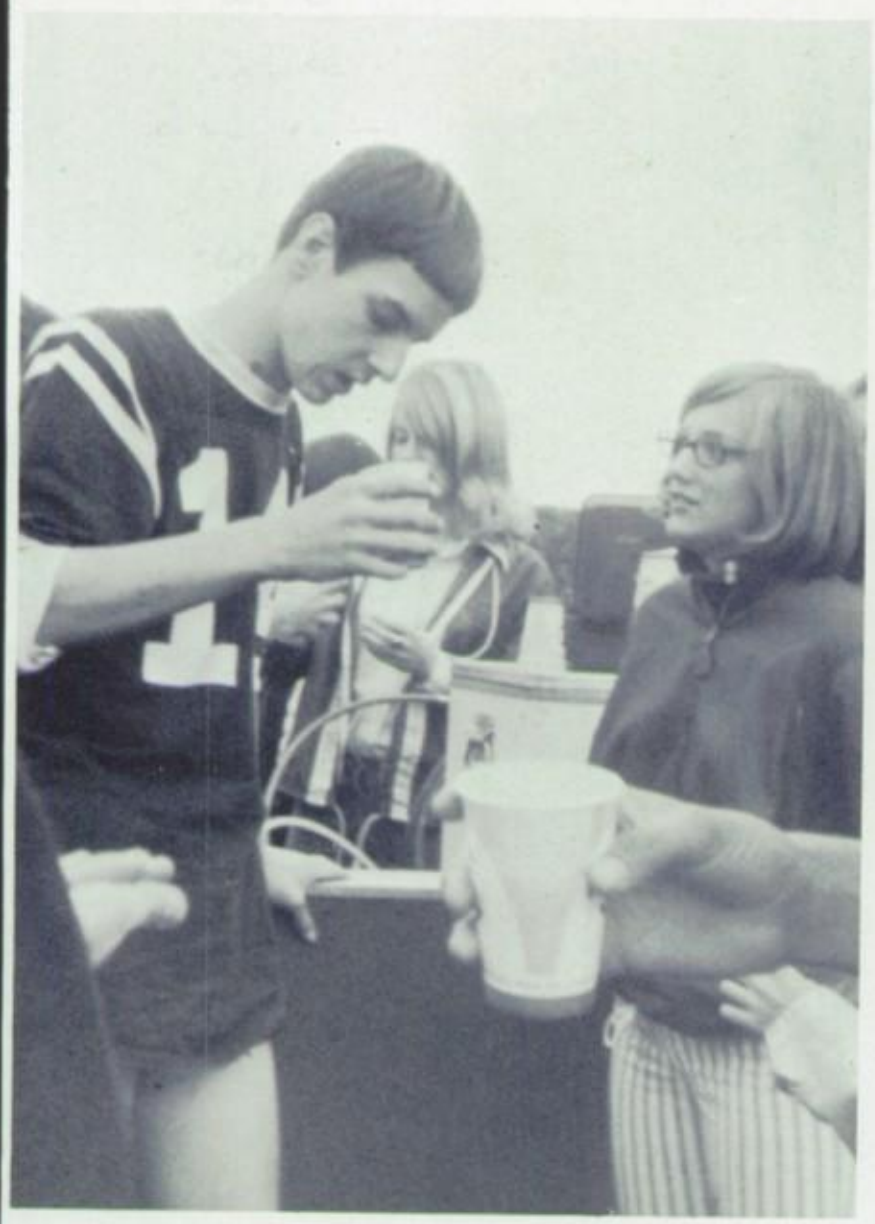
"Weeping may tarry for the night,
but joy comes with the morning."
Psalms 30:5b

This community will long remember Diane Marie Durell. Even though our eyes are still damp from our weeping, we remember her best for the joy she brought and brings still to life. Our world has been left richer for her presence - for a life's task faithfully and honorably undertaken; for her good humor, gracious affection and kindly generosity.

We could be overcome by our sorrow that she is gone, but this memorial to Diane causes us to rejoice again in thankfulness that she was here and, in a certain sense, that she lives on with us always. And so whenever the cheer from the stands is "Go Red Creek!" and the robin sings its song of spring, or the daffodil with its freshness and beauty pushes its way out of the sleepy earth we are reminded that she is with us still and joys come with her to us.

This section of our yearbook we set aside in memory of Diane M. Durell. We have many cherished memories of Diane, and of the happiness and enthusiasm that she spread to all those whe knew her.

The Class of 1970 wishes to offer this as a lasting tribute to an outstanding classmate.



ORGANIZATIONS

Working on the 1970 Centralite has created many moments to remember for all those involved with it. We have tried to capture some of these and other moments in pictures and they are filed in this yearbook so they may be easily remembered in years to come.

A determined Red Creek Central soccer team, led by Coach Don Hartley, concluded its victorious season with an overall record of 14 wins, 2 losses, and 1 tie. The season of 1969 was the seventh year in a row the Red Creek Mules became Wayne County Class "C" champions.

Faced with skilled opposition and bad weather, the Mules fought their games one by one, their offensive unit played well as a team and was very successful. Mike Caywood led the individual scorers with 11 goals, followed by Tim Burgdorf with 10 goals, and Randy Coleman with 9. The Mules' defensive unit played in an outstanding manner throughout the season. Most effective were Tom Snyder, Chuck Raiti, Larry Henderson, and goalie Bob Hornburg. Through the combined efforts of their strong and quick-thinking defensive players, the Mules had only 13 goals scored against them this season.

The J. V. Soccer

The 1969 soccer season gave Red Creek an outstanding Junior Varsity team. This year's squad, led by Coach Keith Krause, had an impressive record of ten victories and no losses. The Jr. Varsity squad consisted of only twelve players, but as the season progressed it became clear that this shortage would not stop this team. Each game and subsequent victory developed the team into a determined, experienced and coordinated unit of winning power.

Varsity Basketball

KNEELING: Coach Hartley, Claude Wood. LEFT TO RIGHT: Dusty Wacker, Mike Burgdorf, Randy Coleman, Charles Raiti, Mike Caywood, Havey Van Wie, Richard Stevens, David Bingham, Norris Vorhis.

The basketball team at R.C.C.S. was faced with many problems this year. The greatest problem that the team faced was inexperience on the part of the team. Losing many of our "old standbys" through graduation, the team saw many new faces this season. Our most outstanding game this year was played against Wolcott when the Rams defeated the Warriors 85 to 76 at home.

J. V. Basketball

P.S. Never forget Parks', yours, Carolyn, and my experience at Spider Porch!

During this year at R. C. C. S. the Junior Varsity team did pretty well. Although the team is composed of relatively inexperienced boys, they, under the able coaching of Robert Gregg, performed admirably and look forward to next year.

Henry,

The Varsity Baseball team showed an enviable record of 11 wins 2 losses for last year. The team advanced to the Pre-Quarter Finals where they were defeated by South Seneca by a score of 2-1 at Phelps. Red Creek Central is proud of its Baseball team which has advanced to the Sectional games 19 out of the last 20 years. B.O.C.E.S.

The Board of Cooperative Educational Services, by pooling the resources and needs of several school districts, enables the member schools to provide educational services which would otherwise be beyond the scope of an individual district. The sharing of personnel between districts, the providing of a central facility for vocational classes, and the administration of this program are the functions of this board.

New to R.C.C.S. this year are the Pom-Pon Girls, a part of the Majorettes. These girls also march with the band and the Majorettes and serve to keep the band members in step. Girls were chosen for the Pom-Pon unit prior to Christmas vacation.

Senior Band

E. Fralick, S. Stevenson, S. Caster, B. Dates, R. Saeli, K. Schneider, J. Forscutt, A. Henwood, K. Henry.

The 1969-70 Red Creek Senior Band under the direction of Mr. Edward Lisk, is the largest organization our school has ever seen and is continuing to grow every day. The spirit and drive these fifty-seven members possess and the tremendous support received from our community has resulted in undoubtedly one of the finest musical. Organization ever to represent this school. After a successful season last year Mr. Lisk has programmed an even more ambitious season for this year. In November, the band entertained the students of the Oswego Catholic High School and plans to travel extensively through out the year. As in past years, the band will again compete in the New York Music Association Competition where they will strive for an A rating in grade 6.

The Honor Singers

Ten girls in their familiar gay red, white, and blue outfits with cheery voices to match were off on their multitude of singing engagements this year. This group, the Honors Chorus, entertained many with Hebrew as well as Pop music which has made them a very popular ensemble very much in demand throughout the area.
